

YOU DO NOT PLACE DOUGH-SI-DOUGH ORDERS ONLINE:

Use your **BACK BUTTON**
to return to previous page

Order by Email, Phone or US Mail only.

Whichever method you choose, please include all the following:

1. Your name, shipping address, phone number, and email address. (see note 1 below)
2. The ornaments you want with the style and color options you prefer. (see note 2)
3. The desired personalizing information for each ornament. (see note 3)
4. Do you want gift boxes? (see note 4)

NOTE 1 – I need your email address ONLY if you order by phone or US Mail. For emailed orders I will use the one from which the order is sent unless you request otherwise.

NOTE 2 – Some ornament designs offer no options, and are available only as pictured. When there *are* options for a certain design, they are described on the webpage for that design. For options not specifically listed, there will be an additional charge. For instance, the angel comes in robe colors of pink, lavender, blue, red, or white at the posted price. But if you want a *mint green* robe, there is an additional charge of \$10.

NOTE 3 – **DATE**....Tell me if you want the ornament dated or not. If you DO NOT mention the date, I **WILL** date it. I use either 2010 or '10 depending on which I think looks better on a particular design, but if you have a preference, make sure to *specifically* tell me. **FAMILIES**....if you order a “Family Ornament” make the relationships clear for better name arrangement. Otherwise, I place them at random. **LISTS**....I always prefer lists like this:

Scott
Susan
Sarah Grace
William
Buster

Rather than this: Scott, Susan, Sarah Grace, William, Buster

PETS....tell me if a name is a pet. For instance, is Buster (above) a child or a dog? If I know he is a dog, I will put a paw print! **TOO MUCH INFORMATION**.... Beginning in 2010, there will be an extra charge for those requesting significantly more information on an ornament than it was designed for. Also, if you want a message on the back of an ornament, **keep it brief**. Every word I write on an ornament is an error opportunity for me, and customers are requesting more elaborate messages than ever; therefore, I feel I must charge for long messages on backs of ornaments. I will give advance notice of any such charges.

NOTE 4 – Gift boxes are \$1 each. If you want boxes for only part of your order, make sure you tell me which ornaments you want boxed. Different ornaments require different size boxes.

Please print out this form and consult it as you plan your order.

Go back to the Order Section of my Website and choose your method of ordering.

There are many advantages to ordering by email if you can,
but feel free to order by US Mail or Phone if you prefer!
